*Proud to represent  
and live in York Centre*

Dear neighbours and friends,

Happy 2024 to all!

With the holiday season behind us, my family and I look forward to this new year.

The times that find us in an ever-changing geo-political world are in fact very complex. The goodwill and friendship found in York Centre is un-paralleled. This is our greatest strength!

I marvel each day at the diversity of our community, different and special in every way, and always part of the metaphoric quilt of our Province.

I am mindful of our inherent right to wake up our kids each day and see them off to school, to go to work, to shop and to pray safely. I will continue to make our local community safety my top priority.

I am here to serve, and my office is responsive to your comments and inquiries.

Respectfully and with kind regards,

*Michael*

## Michael in the Community

The Italian Seniors Fitness Group led by Ameris is a fixture in our community. I am proud to support our seniors each and every day. Da parte mia e della mia famiglia, vi auguriamo a tutti voi un Buon Natale e Felice Anno Nuovo.

I was excited to be at Grandravine Community Centre for our final 2023 MPP Kerzner Skating Event.

I always love to see people come together and enjoy all the great events our community has to offer.

I look forward to seeing you on my 2024 Grand Tour of our amazing community.

Supporting local businesses in our community is important. Recently, I had the opportunity to visit Maria Luz Julian at the Dairy Queen right here on Bathurst and Sheppard. Our local businesses have been

the fabric of York Centre for decades. Wishing them continued success.

I was proud to be at Mel Lastman Square to commemorate the beginning of Hanukkah. It was an honour to light the menorah on this special occasion with so many of my colleagues.

Thank you to the Jewish Russian Community Centre of Ontario (JRCC) for putting together this meaningful event, bringing light to our community when we need it the most.

**Honouring our Own**

We recently honoured another group of exceptional and special members of our York Centre family with the King Charles III Coronation Pin Ceremony. This pin serves to recognize the outstanding achievements of so many incredible leaders in our community. May they continue to inspire and be inspiring to all.

## Michael as Solicitor General

On the first night of Hanukkah, I joined my colleagues at the Queen's Park menorah lighting. Many thanks to Chabad of Thornhill, Rabbis Grossbaum, and Spalter for organizing this event and bringing light and festivities to our community.

It was my great honour to join Minister Greg Rickford, and Executive Director (Chief) Kai Liu of the Indigenous Police Chiefs of Ontario (IPCO) to have meaningful conversations on how this organization is working to keep First Nations communities safe.

I was pleased to be with my Caucus colleagues and Toronto Police command leaders, joined by the Consul

General of Israel to celebrate the last night of Hanukkah. Thank you to our Premier for being part of this candle lighting, a light that unites and binds Ontario in standing up against hate. Hate has no place in Ontario.

I was honoured to attend my fifth March-Past ceremony as Solicitor General at the Ontario Police College in Aylmer, ON.

It was remarkable to see the largest graduating class ever of 548 new cadets who have just completed their basic training and will have a career of service to our communities throughout Ontario. Our government has always led by example in having the backs of everyone that keeps our province safe.

### Notable Quotables

**“** *Our quilt has bonds that have been tested before, and while those bonds—the fabric in the quilt—have been stretched, they never broke. When one hurts, we all hurt. When one needs help, everyone should run to help. What binds us is so much stronger than what separates us. We can never let anyone tear our quilt apart.* **”**

Legislative Assembly of Ontario, 43rd Parliament, 1st Session, Sitting: October 17, 2023

**“** *The carbon tax has made a crucial operation that keeps our communities safe so expensive. We're talking about thousands of automobiles. We're talking about 4,000 automobiles alone at the OPP. This is millions of dollars of wasted money that could be used to keep our province safe. Enough is enough. We're calling on the federal government to do the right thing and get rid of the tax.* **”**

- Michael Kerzner, MPP/Député - York Centre  
Legislative Assembly of Ontario, 43rd Parliament, 1st Session, Sitting: November 23, 2023

“ *The Enhancing Access to Justice Act is a direct reflection on how this government is working together to prioritize public safety. When the province is safe, the people in it become stronger. For this government there is no higher priority than the safety of our province.* ”
