Happy Canada Day!

I was so pleased to spend this day with our local Royal Canadian Legion branch and attend our community Canada Day celebrations at Downsview Park. This day allows each of us to reflect on how fortunate we all are.

The last few weeks have been exciting as I attended so many of our local school graduations. I might also add how much I appreciated my wife Rochelle attending some of these events on my behalf, to congratulate the students. We were so fortunate to have so many graduations ceremonies, some even at the same time. For both of us, we recognized the incredible talented graduates who have an unparalleled opportunity to make their mark as they choose. Felicitation a tous!

Nothing is more important to me than my community, and this will always be my top priority.

Wishing everyone a great summer.

Let's stay in touch,

Warmly,

## Recognizing our Residents

We recently honoured exceptional and special members of our York Centre family with the King Charles III Coronation Pins. This pin serves to recognize their outstanding achievements to our community. May they continue to inspire and be inspiring to all.

# Michael in the Community

Embracing our Canadian spirit, I celebrated Canada Day throughout York Centre; visiting our local fire halls, visiting our own branch of the Royal Canadian Legion, visiting our local 31 Division police station, and at our local Downsview Park for a Canada Day extravaganza! It was 157 years ago today, that the Fathers of Confederation united us as one great Canada. Bon Fete Canada!

Our first annual Father's Day Social was a great success. It is great to see our community attend the events part of our 2024 Grand Tour. Looking forward to seeing you at our next stop!

Mabuhay! I was honoured to receive one of the Philippine Community's highest honours: to become a Knight Commander of Rizal. This association serves to reinforce the values of our friendship and community.

## Michael as Solicitor General

After months of hard work, 495 cadets realized their dream and journey of becoming a police officer to serve and protect all four corners of our province. As Solicitor General, there are few honours greater than marching past our newest cadets at the Ontario Police College.

Ontario is blessed to have some of the finest and bravest first responders in the world. I was honoured to participate in the ceremony to see the Bravery Awards presented to outstanding men and women in the Police and Fire services alongside Her Honour Edith Dumont, Lieutenant Governor of Ontario.

Supported by many police leaders and the extended policing community, we held a historic ceremony in memory of police members who have died because of the line of duty. This memorial will always stand as a reminder of their dedicated service.
